

## LANDSCAPE PAINTING GETAWAY IN THE MAJESTIC OVERBERG WITH LESLEY CHARNOCK

In the heart of the Overberg and in one of the richest floral kingdoms in the world - no more than an hour and a half away from Cape Town - lies the small seaside village of BETTY'S BAY. What it lacks in architectural splendour, it more than makes up for with its breath-taking mountains, its beaches, craggy coves and pounding seas. This is where you are invited to join me, Lesley Charnock, at my studio, for my autumn Workshop.

### **This is where I plan to teach you to:**

- PAINT quick atmospheric oils of the ever-changing vistas of sea, beaches, mountains and skies.
- CAPTURE the light and mood of the scene with minimal detail.
- CHOOSE the right limited palette to evoke mood and atmosphere.
- USE your notes, drawings and sketches back in the studio to work towards a finished painting.

LEARN about colour mixing, composition, brushwork and glazing.
